

Parent/Guardian Vendor Policy

Individuals who desire to become approved vendors of Golden Valley Charter School (GVCS) and who are deemed to be parents or guardians in GVCS by virtue of having one or more children enrolled in GVCS may become vendors so long as the individual meets all vendor approval requirements both at the time of application for vendor status and throughout the term of vendor status. These vendors may not provide vendor services and/or materials to their own children enrolled in GVCS for payment from GVCS.
